

# THE COMPOSITES INDUSTRY IN SOUTH CAROLINA: A GREAT PLACE TO DO BUSINESS

---

Whether it is manufacturing composite-based components for Boeing's 787 Dreamliner or developing ballistic-resistant composite fibers, South Carolina is a great place for composite companies to do business. These are just two examples from the exciting and rapidly-growing composites industry in the state. From OEMs to boat makers to military equipment manufacturers, composites have become one of the key industries in the state.
